

## **PAYMENT AGREEMENT**

By registering your athlete, you are agreeing to pay for the **ENTIRE** season (Short Course = September through February; Long Course = March through July). If paying monthly, your bank account or credit card will continue to be charged on the 1st of each month for the **ENTIRE** season (Short Course = September through February; Long Course = March through July). If opting for a lump payment at the beginning of each season, you will receive a discount as noted in the registration documents. If you choose not to participate for the **ENTIRE** season, you will still be responsible for payments for the **ENTIRE** season.

I understand that any outstanding balance from the 2021 - 2022 Short Course season will be applied at checkout. The outstanding balance must be paid to register for the 2022 Long Course season. All accounts will be **required** to maintain a current form of payment on file (credit card or ACH) to continue participation on the team. This will be used to collect meet entry fees and other items purchased through the swim team; in addition to monthly training fees, if chosen. On or about the 25th of each month, a billing summary will be emailed and should be reviewed for accuracy (this does not preclude the ability for each family to log into their account 24 hours a day, 7 days a week to view their account balance). Payment on the account will be drafted on the 1st of each month. If the 1st occurs on a non-business day, the drafting will take place on the following business day. A \$25 fee will be assessed for insufficient funds.

I understand by registering with DELTA, I am paying for my child's place on the team, not his or her attendance. Team fees are non-refundable after 2 weeks of practices for your swimmer(s) group. There is a \$50 processing fee on all refunds. USA Swimming/ISI Registrations are not refundable. Delta Aquatics is not able to provide a refund for swimmers withdrawing from the team after the initial 2 weeks. All pool rental and coaching contracts are executed prior to the start of the season based upon our registration numbers. Exceptions will be made for military families leaving the area in service to our country and medical reasons with supporting documentation. If a swimmer decides to not complete the full season with Delta Aquatics, the family remains responsible for any outstanding fees.

**Late Payment:** Payments are invoiced and automatically charged on the 1st of each month, during the billing cycle. Accounts with amounts not paid in full by the 10th of each month will be charged a late fee of \$25. Accounts with past due balances greater than 45 days may have athletes removed from practices and meets until accounts are brought current.

## **WITHDRAWING FROM THE TEAM**

Families who wish to withdraw from Delta Aquatics must communicate that in writing to Coach Jessica ([coachjessica@comcast.net](mailto:coachjessica@comcast.net)). To withdraw from Delta Aquatics for the upcoming month, written notification must be given by the 25th of the month prior in order to be withdrawn from the billing system. The general rule is, if the swimmer is on the team on the first of the month that swimmer is enrolled for the entire month. If a swimmer leaves the team at any point in the season, they will not be allowed to rejoin the team that season.
